The idea is that a family will take the altar Bible home (Sunday after church service) and keep it for a week. We encourage the host family to have a family devotion each day for seven days (either morning, afternoon or evening). You may use the Upper Room, Our Daily Bread or something else that fits your needs. You may create a small altar or place to put the Bible and keep it open each day. The Altar Bible shall be returned to the church Sunday morning. For more information please contact Pastor Arman at (440) 242-7318.
